There is a tremendous need for the Kingdom of Heaven to impact our society vs being on the defense of their godlessness. The answer?

MEN

No entity in society impacts the marriage, the family, the church, the workplace, schools, the secular culture & the future of all people like Christ-like men that lead. We are committed to simply be exactly who & what the Bible has assigned. No more. No less. So, consider joining us as we host a move of God in Alabama!

Strong Men Finish Strong

VALOR is here!

VALOR is a simple life-plan for men at every level of spiritual maturity to be disciplined by God's Word into their destiny—The Man of God Ready in his Place.

1. TEAM—the home base for moving together, leaving no man behind. TEAM is led by the Point-man. He inspires the unit to thrive & increase its influence.
2. Mighty Man is the course of study for men to fulfill their calling as husbands, fathers & leaders in the kingdom of God & their vocations. Each book has a workbook that mentors every man toward success in the principles, patterns & wisdom of the Word of God.
3. Man on Fire is the gathering of the TEAMS together as *deep calleth unto deep* & as *iron sharpens iron*.
4. Finish Strong podcasts, texts & e-mails to keep each TEAM on the cutting edge of what the Lord is saying to men.
5. Commissioning—the graduation of the VALOR Courses of discipleship. As water baptism is the witness of the new birth, so is this an acknowledgement of being tested & proven to lead in the kingdom.

Mighty Man

The Lord is with thee, thy mighty man of valor. An eloquent man and mighty in the Scriptures...this man was instructed in the way of the Lord and being fervent in the spirit, he spake and taught diligently the things of the Lord.

[Judges 6:12, Acts 18:24b & 25]

MAN on FIRE is the gathering of all the Alabama VALOR Teams to worship the Lord, seek His face & be stirred up in Him to go to the next level of our race & assignment on earth.  A gathering of Men on Fire is soul-stirring!

Everyone that is tasked with a visionary calling [husband, father, business partner, church leader, ministry position discipleship needs a sabbatical get-away time to recharge away from the routine of their calling. As people testify of the pay-off of ideas, energy, perspective & infusion of patience by simply taking a day off each week, so is the principle of Man on Fire.

Get out of the heat & into the Fire! You will receive keys, principles, patterns & wisdom to make your life easier & more profitable. The investment of time, energy & money will demand an expectation that the Lord will meet in your life.

Plus, you'll be in on the ground floor of a new ministry that needs every input of the very men that it seeks to serve. This could be the beginning of something beyond just one weekend!

And, you can make a way for someone that desperately needs this rejuvenation & refreshing but had no access to it until you invited them to come go with you.
